

An Easter Gift to the Church from Session

The Session has heard from those who would like to help those who have suffered loss in Ukraine these past five weeks. **The Session moved at a Called meeting on March 27, 2022 to send \$500.00 EACH to Ukraine Relief through the Samaritan's Purse emergency relief and Mission to the World (PCA) emergency relief.**

Now for a Challenge to the Church to Pay this Forward:

Session has identified two organizations that we especially consider do this type of work well. We commend them to the church and invite you to give to this need as well:

You can donate to Samaritan's Purse Ukraine relief:

Online: <https://www.samaritanspurse.org/donation-items/responding-to-the-crisis-in-ukraine/>.

Check—Made out to “Samaritan's Purse”, put “Ukraine Response #014064” on the memo line, and send to:

Samaritan's Purse

PO Box 3000

Boone, NC 28607

Occasionally, Samaritan's Purse may receive more contributions for a designated project than can be wisely applied to that project. In that event, Samaritan's Purse will endeavor to use the funds for a similar pressing need. -From Samaritan's Purse Website.

You can donate to Mission to the World Ukraine relief:

Online: <https://mtw.org/ukraine-crisis>

Check—Made out to “Mission to the World”, put “UA Ukraine Crisis Church Fund # 90965” on the memo line, and send to:

Mission to the World

PO Box 744165

Atlanta, GA 30374-4165

*Funds received by MTW as part of a disaster response appeal are used for relief and recovery, construction, travel for response teams, and related needs as well as for longer-term rebuilding and church planting. Exceptionally, when there are unspent funds, they will be used in future disaster and compassion situations. -From MTW website
